Ambica Enterprises

<http://www.ambicagrp.com/>

Being an ISO 9001:2008 & CE Approved company. we are affianced in Manufacturing, Exporting and Supplying of industrial Heater, Thermocouples, RTD.

About Us

Since its inception in **1992**, the Manufacturing, wholesaling, retailing and Supplying company **Ambica Enterprises**, has developed into a trustful entity and pioneered the industry by providing high performing Industrial Heater and Thermocouple. Owing to our diversified technical and professional expertise, we have developed a wide range of revolutionary products including Mica Band Heater, Ceramic Band Heater, and Cartridge Heater that earned us the most reputable **ISO 9001:2008** certification. Being the industry leaders our role becomes tougher to meet the complex needs of our prestigious clients. We strive to deliver products with peak performance that are innovative, custom designed, easy to install and operate, require low maintenance, and serve a durable service life.

Owing to our advanced engineering prowess and application knowledge, we are capable to serve the productive performance in a large number of industries including pharmaceuticals, chemical, plastic, engineering, rubber, fertilizers and pesticides. We possess a highly advanced infrastructure and implement latest technology at every stage of our business operations, which earned us the portfolio of a marketing leading brand. Customer satisfaction and business ethics are at the core of our company that drives us to operational excellence.

Under the valuable guidance of **Mr. Ravi Bhawsar**, we are where our customers want us to be. He is an experienced persona who is well versed with business technicalities. His efforts have helped us to achieve value in strategic planning, talent development, innovation and most important customer satisfaction.
